

FOR A TIME CURE

*Brakes
for
Breasts™*

**IMAGINE A VACCINE
THAT WOULD CREATE
A WORLD FREE OF
BREAST CANCER!**

During the month of October we are giving away **FREE** quality brake pads or shoes. All you pay for is the labor and any other necessary parts. 10% of these proceeds will go towards research for the Cleveland Clinic Breast Cancer Vaccine Fund.

Our group of auto repair shops from across the country have set a goal to raise over \$1,000,000 in proceeds! This fundraiser will end October 31st.

This past year we had 138 shops in 34 states and 2 countries and raised \$141,061. Since 2011 we have raised \$747,771.79, thanks to the support of shops and the vendors like yourself who have been there to support us.

Last year alone, 114 independent repair shops across 34 states raised \$114,389.20.

Our goal this year is to have 200 shops participating. After 14 long years we are very close to bedside trials, hopefully by the end of 2019.

Brakes for Breasts is run solely by volunteers supported by the independent auto repair community across the Country. It is a true grass roots effort, with every penny being donated to research.

P.S. Please pass this along to all of your friends! We need everyone's support.

~Thanks!!!
